Shrub Roses

'Knockout' - this shrub rose set a new standard in disease resistance with little to no maintenance required. The bloom cycle produces rich red blooms that will continue until the first hard frost.

'Pink Double Knockout' - A bright bubble gum pink version of the 'Double Knockout' rose that is very stable and also unfazed by the heat.

'Pink Knockout' - single petals just like the original Knock out but in a beautiful shade of bright pink. Like all Knock-outs, it is black spot resistant, drought tolerant and self-cleaning.

'Whiteout' - Miniature rose which produces clusters of small, rosette-shaped, very fragrant white flowers.

'Sunny Knockout' - Bright yellow flowers that fade quickly to a pastel cream color. The dark, semi-glossy foliage contrasts nicely with the bright blooms.

'New Dawn' - A hardy old favorite with an abundant show of pink flowers peaking in the spring and repeating all summer.

'Double Knockout' - Continually produces double candy apple red flowers, with a slightly spicy fragrance
