

Stachys byzantine 'Helen Von Stein'

Sun: *Full Sun to Part Shade*

Height: *12"*

Spread: *18"*

Hardiness: *Zone 4-9*

Flower: *Purple*

Foliage: *Perennial*

Also known as Big Ears, this low growing selection produces a dense mat of woolly silver-gray leaves with an irresistible velvety feel. Although grown primarily for its interesting foliage, lamb's ear bears spikes of purplish-pink flowers on tall stems that appear in summer.
