NURSERY CERTIFICATE

This certifies that the stock actually in the nursery when examined was apparently free from injurious plant pests.

Furthermore, this certificate is conditioned upon the nursery receiving or distributing only stock which is accompanied by an official valid certificate of inspection indicating that the nursery stock was inspected and certified to be apparently free of dangerously injurious insects and plant diseases.

This certificate shall be valid until December 31, 2025, or until subsequent inspection finds infestation of dangerously injurious insects and plant diseases.
