Certificate of Quarantine Compliance

No. NJ-BTM-001478

Certified Under Compliance with the New Jersey Department of Agriculture, Division of Plant Industry.
This shipment meets requirements of the USDA Federal Order – Domestic Quarantine for Box Tree Moth (*Cydalima perspectalis*) and Establishment of Conditions for the Interstate Movement of Regulated Articles of *Buxus* Species (DA-2024-17) and meets the requirements of N.J.A.C. 2:20 Quarantines Subchapter 11 – Box Tree Moth.

Johnson Farms, Inc. has been inspected and found to be in compliance with the National Plant Board standards of pest freedom. The nursery business is under a compliance agreement that meets the NPB-PPQ conditions required for the interstate/intrastate movement of boxwood plants from areas regulated for Box Tree Moth (BTM) to non-regulated areas.

NURSERY CERTIFICATE

This certifies that the stock actually in the nursery when examined was apparently free from injurious plant pests. Furthermore, this certificate is conditioned upon the nursery receiving or distributing only stock which is accompanied by an official valid certificate of inspection indicating that the nursery stock was inspected and certified to be apparently free of dangerously injurious insects and plant diseases.

This certificate shall be valid until December 31, 2026, or until subsequent inspection finds infestation of dangerously injurious insects and plant diseases.
